Wet or Dry*
Available to suit either a wet or dry environment.

Coin Operated / Card Operated*
Locks can be set to accept coins for use by multiple users. Coins can be returned to the user after use or retained*. Card Operated locks require a membership card punched with a hole. To avoid unauthorised use the card only works when punched with an exclusive punch available from Prefect.

Removable Cylinder
Should the key be lost the lock cylinder can be easily replaced ensuring the security of the lock.

Flexibility
Can be Right or Left Handed*. Standard and Security* Keys available.

* Specify at the point of order. Price variations apply to options.
